TENDER HEARTS COVID-19 PROCEDURES AND POLICIES

Please read, sign statement at the bottom, and return along with the Application for registration.

1. It is essential that families pre-screen children for any symptoms related to COVID-19 before coming to school. If your child has a fever, sore throat, headache, cough, diarrhea, shortness of breath, loss of taste or smell, or chills – PLEASE DO NOT SEND YOUR CHILD TO SCHOOL.

2. Masks must be worn inside the building by adults and students. (We will give breaks throughout the day for snack time and outside play or when we can safely social distance.)

3. We will do temperature checks on children and adults upon entering the building. If a fever of 100.4 or above is detected, the student/parent will not be allowed in the building.

4. Students must wash hands before entering the classroom.

5. During playtime, students will be encouraged to social distance, but we understand that play with peers is an integral part of preschool. We will sanitize toys after each class and rotate items as necessary. Hand sanitizer is available throughout the classroom.

6. If someone living in your household tests positive for COVID-19, please quarantine your child and do not send them to school for 14 days. If your child tests positive for COVID-19 please notify the school as soon as possible and remain home until released to return to school with a doctor's note.

7. If a student, teacher or staff member at Tender Hearts tests positive, recommended precautions will be taken. We may choose to close the school for a period of time and you will be notified.
